

Games

These games are great to play with your friends for a birthday, sleepover, or just because you feel like playing with your friends.

Fairy Jumps:

What you need:

- A skipping rope
- An adult (or two) to help

The two adults (or two friends), hold either end of the skipping rope and start swinging the rope. Form a line with your friends on one side of the skipping rope. The first person jumps into the skipping rope, and the next person follows. See how many people you can fit in the skipping rope!

Human Friendship Bracelets:

Can you untangle the knot? You'll have to work together!

Form groups of 6 - 10 friends. Stand shoulder-to-shoulder in a circle and face each other. Reach across the circle with one hand. Hold hands with one of your friends (cannot be the person next to you). Hold hands with someone else with your other hand.

Try to untangle the human knot without letting go of your friend's hand. Here are some strategies: Duck under each other's arms. Squat down while someone steps over your arm. Move slowly, one person at a time. Talk to each other and work together.

Fairy Dress-Up:

Put a twist on the normal dress-ups... by dressing-up your friends!

What you will need:

- Old clothes- dress up wings, funny big dresses...get your friends to bring some clothes as well!
- Camera (optional)

Dress up your friend- how about a theme like a Rainbow Magic Fairy, or Jack Frost? Take it in turns so you each get a chance to dress-up and be the one who dresses your friend up. Take photos if you like and give them to your friends!
